**Collection:** With its light and transparent design, AIRR by GamFratesi reinterprets the classic shell chair for contemporary living. DEDON's first collection to incorporate injection-molded seating, AIRR is equally suited for use outdoors or in — and so lightweight it's a breeze to move between the two.

**Characteristics:** Light, refined, contemporary

**Dining table:** The 100 × 200 cm (39¼" × 78¾") dining table is refined and sturdy. For use both indoors and out, it features a high pressure laminate tabletop supported by teak legs that match with the collection's armchairs.

**Frame:** The legs are made of premium teak. The frame consists of aluminum with lipari powder coating and the tabletops are HPL.

**Frame maintenance:** Clean with a soft cloth and warm water. Wash the bases with warm water in which natural soap flakes have been dissolved.

**Options:** Available in four sizes and three tabletop colors.

## Tabletops

317  
black pepper

001  
HPL white

306
