Collection: MBRACE by Sebastian Herkner takes a joyfully unconventional approach to poolside furniture, bringing DEDON fiber seating and a solid teak base together for the very first time. The result is an eye-catching, instantly likable collection for lounging, dining and more. MBRACE captures the spirit of barefoot luxury while extending the DEDON design language into new, more Nordic territory.

Characteristics: Friendly, engaging, embracing, innovative, exceptionally comfortable

Material: The MBRACE seats are made of DEDON fiber woven over an aluminum frame.

The base consists of premium teak.

Finishing: The seat frame is electrostatic powder-coated in a color similar to that of the fiber.

Frame maintenance: Clean with a soft cloth or brush, warm water and a gentle cleanser, if needed. Wash the teak base using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.

Cushion maintenance: While the covers cannot be removed, the complete cushions may be washed by hand at 30 °C / 86 °F.

Options: This item is available with a choice of comfortable cushions.
