Measurements

Collection: SEALINE by Jean-Marie Massaud is a luxurious lounge collection with an easy-chic spirit. Designed to be elegant, comfortable and appropriate in any season or latitude, this compact system is equally at home on the terrace of an African lodge or the deck of a yacht in the Scandinavian fjords. SEALINE features a handcrafted teak frame, plush cushions and a backrest made of extra-wide DEDON fiber.

Characteristics: Timeless. Refined. Versatile.

3-seater: A great stand-alone piece, the 3-seater features a base of solid premium teak and is available in two colors. Use additional back cushions for even greater comfort.

Frame: The frame consists of aluminum. The base consists of natural finish teak.

Finishing: The frame is electrostatic powder-coated in a color similar to that of the fiber and rope.

Frame maintenance: To clean the fiber, use a soft cloth or brush, warm water and a gentle cleanser if needed.

Wash teak using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.

Cushion maintenance: Every cushion is removable and all cushion covers are washable at 30 °C.
