Measurements

Collection: Renowned British designers Edward Barber and Jay Osgerby created TIBBO for an era in which indoor and outdoor living spaces are merging. DEDON's first collection in teak, TIBBO combines meticulous craftsmanship, superior comfort and remarkable lightness in a design that's distinctive, elegant and pure. Comprising both dining and lounge elements in a mix of teak, textiles and woven fiber, TIBBO conveys an exceptionally rich and luxurious look and feel.

Lounge chair XL: Transitioning the TIBBO concept into lounging, this deep and wide lounge chair XL in a mix of teak, textiles and woven fiber features high-quality cushions for luxurious sitting comfort. It is lightweight and easy to reposition.

Frame: The frame consists of premium teak, with woven fiber for the seating.

Characteristics: Calmative, elemental, engaging, comfortable, nordic, hand-crafted, lightweight

Frame maintenance: Wash using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.
