## Dining table teak

Design by **Toan Nguyen** | Item code: **603062** | Weight **44 kg/97 lbs** | Volume: **1,5 m³/53 cu ft**

### Measurements

**Collection:** WA by Toan Nguyen is a contemporary collection of dining tables with sculptural appeal. Designed in dynamic lines, the die-cast aluminum legs of the longest table (2.5m/98½", with a slatted teak tabletop) have lately been repositioned to now seat up to eight diners. WA tables are available in three different sizes and a wide choice of tabletops consisting of HPL or teak. They are complemented perfectly by all DEDON armchairs.

**Dining table:** This WA dining table features elegantly tapered cast aluminum legs in a special, scuff-resistant powder-coating. The slatted tabletop in premium teak is rounded at the corners for a soft, warm touch.

**Frame:** Base consists of stainless steel; legs consist of die-cast aluminum, covered in a special powder-coating that makes them extra-resistant to scuffing.

**Characteristics:** Minimalist, modern, refined, sophisticated, specially-coated, lightweight, strong

**Maintenance:** Clean the teak tabletop using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months. To clean the base, use a soft cloth, warm water and a gentle cleanser, if needed.
