Collection: Conceived by design collective EOOS, MANGROVE is a versatile range of tables that complements all DEDON collections. Its base is made of inclined supports that closely resemble the distinctive trunk of the tree after which it is named. With slits in the circular tabletop to let light circulate and shimmer, MANGROVE subtly highlights the nuances of nature.

Side table: Produced in painted metal, this MANGROVE Side Table appears delicate and organic yet is strong and sturdy. It was designed to complement all DEDON collections.

Frame: Item features catalytic-treated steel table top and stainless steel legs.

Finishing: Polyester powder-coated finishing helps give tabletops and legs resistance to harsh weather conditions.

Characteristics: Innovativ, markant, organisch, robust, vielseitig, praktisch

Frame Maintenance: Clean with a soft cloth and warm water.
