Collection: MBRACE by Sebastian Herkner takes a joyfully unconventional approach to poolside furniture, bringing DEDON fiber seating and a solid teak base together for the very first time. The result is an eye-catching, instantly likable collection for lounging, dining and more. MBRACE captures the spirit of barefoot luxury while extending the DEDON design language into new, more Nordic territory.

Characteristics: Friendly, engaging, embracing, innovative, exceptionally comfortable

Lounge chair: This low-back lounge features a triaxial open-weave seat, a solid-teak base and a choice of comfortable seat cushions.

Frame: The frame consists of aluminum. The base consists of premium teak.

Finishing: The frame is electrostatic powder-coated in a color similar to that of the fiber. The base consists of natural-finish teak.

Frame maintenance: Clean with a soft cloth and warm water. Wash the bases with warm water in which natural soap flakes have been dissolved.

Cushion maintenance: While the covers cannot be removed, the complete cushions may be washed by hand.

Options: This item is available with a cushion or a seat cushion, and – for contract sales only – with an aluminum base.
