Collection: A flexible system of rectangular modules, BRIXX offers exceptional comfort, 360° functionality and accessibility from all sides. Combining Italian craftsmanship with fashion expertise, BRIXX is fully upholstered in a luxurious, 50% recycled fabric that's water-repellent for indoor/outdoor use. Simple yet sophisticated, the collection features a refined material mix, playful accessories and appealing graphic contrasts.

Module M: This medium-sized rectangular module features a removable fabric cover and is easily combined with all elements of the BRIXX modular system.

Frame: The core of each module is protected by a water-repellent polyester covering. The fabric is treated to be stain and water-repellent.

Characteristics: Versatile, sophisticated, distinctive, luxurious, modular

Upholstery maintenance: To clean the fabric covers, remove them and wash them by hand. If not used under roof or awning, we recommend to cover the modules with DEDON outdoor covers at night and during rainfall.
