Collection: NEWPORT by Henrik Pedersen brings plain esthetics to a contract collection of practicality and versatility. Made entirely of aluminum, with comfortable sling material for the seat and back, NEWPORT is lightweight, durable and thought through to the smallest detail. Side- and armchairs are stackable, saving time and space.

Dining table: This dining table (90cm x 90cm) seats two with ease and features a central base for easy positioning. **Frame:** NEWPORTS's frames are made of powdercoated aluminum. The tabletops of dining tables are made of powdercoated metal or „High Pressure Laminate“ (HPL).

Characteristics: Light, transparent, understated, elegant, practical, stackable
Frame Maintenance: Clean with a soft cloth and warm water.
