Collection: The REAV sunshade combines minimalist design with smooth engineering and robust functionality. Light and understated in appearance, it's the perfect accompaniment to every DEDON collection, creating shade without creating distraction. Adaptable to any outdoor setting, REAV comes in parasol and cantilevered versions, with five shapes and sizes of canopy.

Characteristics: Versatile, sophisticated, distinctive, luxurious, modular

Square M Cantilever: The smallest size of parasol, Square S features a square umbrella, marine-grade fasteners and an ingenious pulley system for easy opening and closing. It is available in white or anthracite and a choice of two sizes of base, for wind grade 3 or 6.

Frame: REAV is made of highest-quality materials, from its powder-coated aluminum pole and battens down to its marinegrade stainless steel fasteners.

Maintenance: The canopy is tailored out of a UV-protected, easy-care outdoor fabric that repels both dirt and water.

Options: The parasol is available in white or anthracite and comes in a choice of two sizes for the base, for wind grade 3 or 6, with optional ground mountings.
