**Collection:** A versatile collection of dining, lounging and poolside elements, RILLY by GamFratesi takes a fresh approach to DEDON's outdoor heritage. In place of traditional weaving technique, it features parallel vertical strands of maritime rope or new DEDON Fiber 'Touch'. The result is a "transparent" collection of friendly forms with distinctive faceting and a contemporary, graphic quality.

**Characteristics:** Contemporary. Graphic. Inviting. Intimate. Expansive.

**2-seater:** Intimate and inviting, the 2-seater features a powder-coated aluminum frame and parallel vertical strands of fiber or maritime rope. It comes in four colors and is available in a range of fabrics.

**Frame:** The frame consists of aluminum.

**Finishing:** The frame is electrostatic powder-coated in black pepper.

**Frame maintenance:** Clean with a soft cloth and warm water.

**Cushion maintenance:** Every cushion is removable and all cushion covers are washable at 30°C.

**Options:** Choose between DEDON Fiber and weatherproof rope.

Optional Dry+ cushion construction is available for RILLY.
