### Measurements

**Collection:** A versatile collection of dining, lounging and poolside elements, RILLY by GamFratesi takes a fresh approach to DEDON's outdoor heritage. In place of traditional weaving technique, it features parallel vertical strands of maritime rope or new DEDON Fiber 'Touch'. The result is a "transparent" collection of friendly forms with distinctive faceting and a contemporary, graphic quality.

**Characteristics:** Contemporary. Graphic. Inviting. Intimate. Expansive.

**Daybed right:** The daybed right offers exceptional comfort and comes with the option of additional wheels. Cushions feature durable Dry+ cushion construction. The daybed right is available in a choice of four colors.

**Frame:** The frame consists of aluminum.

**Finishing:** The frame is electrostatic powder-coated in black pepper.

**Frame maintenance:** Clean with a soft cloth and warm water.

**Cushion maintenance:** Every cushion is removable and all cushion covers are washable at 30°C.

**Options:** Choose between DEDON Fiber and weatherproof rope. Optional Dry+ cushion construction is available for RILLY.
