Collection: Inspired by the sleek racing boats of the America's Cup, SEAX stands for elegance and modernity. From the streamlined sophistication of the folding chairs to the understated innovation of the dining tables, the collection perfectly reflects designer Jean-Marie Massaud's meticulous attention to detail and thoughtful approach to materials, textures and colors.

Teak dining table: This dining table features a powder-coated aluminum base and a tabletop of premium teak.

Frame: Base consists of powder-coated aluminum profiles with powder-coated, die-cast aluminum legs. Tabletop consists of premium teak. Sealant between teak slats, same as that widely used on yacht decks, is designed to expand and contract with teak's natural movement.

Characteristics: Streamlined, sophisticated, elegant, effortless, modern, minimalist

Options: Also available with mineral-composite table top

Frame maintenance: Clean base with a soft cloth, warm water and, if needed, a gentle cleanser. Wash tabletop with warm water in which natural soap flakes have been dissolved or using our Teak Cleaner. We recommend allowing your teak furniture to weather naturally, simply cleaning it as required.
