**Collection:** While it shares half of its name and much of its basket-like structure with DEDON's iconic NESTREST, designer Daniel Pouzet's latest creation, SWINGREST, is in a class all its own. From its rotating tabletop to its elegant suspension system, SWINGREST is the ultimate hanging sofa, perfect for suspending on a terrace or veranda, or even indoors.

**Hanging lounger:** Inspired by the high-ceilings of the villas at DEDON ISLAND, the SWINGREST hanging lounger, with its convenient suspension system, is as at home indoors as out.

**Finishing:** Electrostatic powder-coating. Swiveling side table consists of tabletop of solid surfacing material made from resins and minerals on an arm of powder-coated, die-cast aluminum. Upper tubes are wrapped with rope.

**Characteristics:** Organic, iconic, innovative, spacious, gracious, elegant and refined

**Options:** Canopy. May be used as a standing lounger when a base is attached

**Frame Maintenance:** Clean with a soft cloth and warm water. The ropes should be cleaned with a cleaning product available from DEDON.
