Collection: WA by Toan Nguyen is a contemporary collection of dining tables with sculptural appeal. Designed in dynamic lines, the die-cast aluminum legs of the longest table (2.5m/98 1/2", with a slatted teak tabletop) have lately been repositioned to now seat up to eight diners. WA tables are available in three different sizes and a wide choice of tabletops consisting of HPL, glass or teak. They are complemented perfectly by all DEDON armchairs.

Tabletop: Made of high-pressure-laminate (HPL), a non-toxic material, tabletop is highly resistant to impact, mechanical stress, moisture and steam; also available in single-layer safety (HPL).

Frame: Base consists of stainless steel; legs consist of die-cast aluminum, covered in a special powder-coating that makes them extra-resistant to scuffing.

Characteristics: Minimalist, modern, refined, sophisticated, specially-coated, lightweight, strong

Frame Maintenance: Clean with a soft cloth and warm water.
