Collection: Philippe Starck and DEDON made design history with the launch of PLAY, a new concept in furniture that puts unprecedented freedom of choice in the hands of consumers. And while the original, iconic PLAY chair is now available in 6 fabulous variations, the PLAY concept itself has inspired an array of innovative, Starck-designed tables and more.

Side chair: This stackable side chair features an injection-moulded polypropylene frame with a die-cast plastic seat and an optional die-cast plastic backrest. It combines high design with everyday practicality.

Frame: Polypropylene frame and die-cast plastic seat

Characteristics: Innovative, iconic, democratic, versatile, practical, durable

Frame Maintenance: Clean with a soft cloth and warm water.
