Collection: MBRACE by Sebastian Herkner takes a joyfully unconventional approach to poolside furniture, bringing DEDON fiber seating and a solid teak base together for the very first time. The result is an eye-catching, instantly likable collection for lounging, dining and more. MBRACE captures the spirit of barefoot luxury while extending the DEDON design language into new, more Nordic territory.

Dining table: With a shape reminiscent of a surfboard, this distinctive dining table of solid, slatted teak is only 90cm deep, creating a sense of intimacy and informality that makes it unique.

Frame: This table consists of premium teak.

Characteristics: Friendly, engaging, embracing, innovative, handcrafted.

Frame maintenance: Natural-finish teak maintenance: Wash the teak using warm water and a soft sponge.
