Footstool

Design by **Sebastian Herkner** | Item code: **085032** | Weight **2,6 kg/6 lbs** | Volume **0,11 m³/4 cu ft** | COM (Customer Own Material): **0,75 m/1.50 yd** (plain fabric only)

Measurements

Collection: MBRACE by Sebastian Herkner takes a joyfully unconventional approach to poolside furniture, bringing DEDON fiber seating and a solid teak base together for the very first time. The result is an eye-catching, instantly likable collection for lounging, dining and more. MBRACE captures the spirit of barefoot luxury while extending the DEDON design language into new, more Nordic territory.

Footstool: Featuring a triaxial open-weave top and a solid-teak base, the MBRACE footstool goes perfectly with all three chairs in the collection.

Frame: The frame consists of aluminum. The base consists of premium teak.

Finishing: The frame is electrostatic powder-coated in a color similar to that of the fiber. The base consists of natural-finish teak.

Characteristics: Friendly, engaging, embracing, innovative, exceptionally comfortable

Option: This item is available with an aluminum base - for contract sales only

Frame maintenance: Clean with a soft cloth and warm water.

Wash the bases with warm water in which natural soap flakes have been dissolved.

Cushion maintenance: While the covers cannot be removed, the complete cushions may be washed by hand.
