**Collection:** VID carpets help to create beautiful outdoor atmospheres, giving definition to open spaces while providing the perfect backdrop for all DEDON furniture collections. Woven by hand from weather- and UV-resistant yarns, VID combines luxuriousness with practicality. Neutral and versatile, the carpets come in two sizes, styles and color ways.

**Carpet SOLID:** This 200 x 300cm handwoven carpet features a solid pattern with uni-weaving, in a choice of two colors: canvas or light gray.

**Material:** VID is handwoven and consists of 100% polypropylene. Designed and treated for outdoor use, it is UV- and weather-resistant.

**Maintenance:** We recommend to lift the carpet periodically to let it dry. Vacuum-clean the carpet at least once a week in order to prolong its life and maintain its colors.
