

DARK

LIGHT

Dark colors convey bold sophistication. CIRQL in Onyx, MBRACE in Arabica, MU in Vulcano, PANAMA in Bronze, and SEALINE in Slate or Titan work wonderfully together. Enrich this color world with teak-framed SEAYOU in Sail Shade sling fabric. Other fabrics suitable to the mood include GLAN in Shale, MAR in Ash and COOL in Marengo.

Whites, natural tones and flashes of silver create an elegantly light color world. Play with a modern material mix of fiber (BELLMONDE in Silver Gray, SEASHELL in Chalk, AHNDA in White Quartz), rope (SEALINE in Pristine), sling fabric (SEAX in Sail Dove), polypropylene (AIR in Salt) and ceramic (a Taupe tabletop on a PORCINI side table in Carrara fiber).

## BEST REASONS FOR CHOOSING DEDON

**QUALITY IN MANUFACTURING**  
The manufacturing of both DEDON Fiber in Germany and DEDON woven furniture in the Philippines takes place at our own production facilities.

**SUSTAINABILITY**  
It is in DEDON's corporate philosophy to produce furniture and accessories of outstanding quality in environmentally sound facilities. DEDON Fiber is non-toxic, non-polluting and 100% recyclable. The production of DEDON woven furniture is zero-waste across the supply chain.

**WORLD'S BEST FIBER**  
Produced in DEDON's own facilities by a team of specialists, DEDON Fiber is unrivaled for strength, color fastness and longevity. It is tested against all weather conditions, from desert wind to salt water to frost.

**THE RIGHT MATERIAL FOR EVERY SETTING**  
In addition to the DEDON Fiber, DEDON works with the highest-quality teak, aluminum, woven textiles, ceramics and upholstery, all manufactured with passion for excellence.

**DESIGN**  
DEDON collaborates with the world's top designers, from famous names to rising stars, on collections that consistently win the most prestigious design awards.

## COMBINE, COMPLEMENT AND COORDINATE COLORS WITH EASE

In regular workshops with world-renowned colorists, DEDON develops color worlds that coordinate beautifully across collections. Working with fiber, injection-molded polypropylene or rope from a variety of products, all in the same color tone, you can create sophisticated color worlds. Play with any and all DEDON products and colors to create the desired ambience for every setting.
